

Provider Portal Signup

The Early Learning Coalition of Lake County now has the provider portal up and running and it is accessible through any Internet connection for electronically processing monthly attendance, uploading daily sign in/out sheets, uploading doctor/parent notes, SR eligibility information, VPK vouchers, CCR&R information & updates, Provider Contracts, Provider Payments etc.

As many people at your child care facility as you choose may have rights to the provider portal but be advised that whoever has rights to the portal has access to all information stored on the portal in reference to your center.

Important Note: You must scan the paper copies of your sign in sheets and any doctor/parent notes into the computer and upload to the portal.
