8am to 4pm

**LAURA DELGADO, ME.D**

**MAXIMIZING COMMUNICATION  
STRATEGIES TO IMPROVE  
RELATIONSHIPS**

Effective communication is the key to the success of any organization, classroom and in building relationships with peers, families, and children. In order to effectively communicate with others, we must first understand the different communication styles, perceptions and needs of each, and how to navigate through their differences.

In this session, attendees will participate in small and large groups to explore communication pitfalls, barriers and how to overcome these challenges. This interactive session will provide a setting for collaboration and networking while strengthening communication skills.
