THE GROWING BRAIN UNDERSTANDING BEHAVIOR

This training will focus on how children's behavior is influenced by the brain. In this training, you will learn about basic brain anatomy; connections between areas of the brain and how these connections are expressed through behavior; key factors that influence behavior; the root causes of challenging behavior and effective strategies for helping children with these difficulties.

To Register Online: Visit our website at www.elclc.org. Select the calendar tab, training date and click the link to register. If you have questions about the training, please call Dianna Aguirre at 352.315.6664.
