An Introduction to Ages and Stages Questionnaires Third Edition

During this training participants will review the features of Ages and Stages-3, demonstrate proper scoring of ASQ-3, choose the appropriate questionnaire, describe how to interpret results, and give ideas on how to share the information with the child's family.

To Register Online: Visit our website at www.elclc.org. Select the calendar tab, training date and click the link to register. If you have questions about the training, please call Dianna Aguirre at 352-315-6664.
