Performance Bonus

Early learning employees and ELDs who receive a professional development bonus through the child success grant are eligible for a performance bonus if the provider achieves a CLASS® composite score of 5 or higher or where the CLASS® composite score improves by 0.5 or more on its next scheduled, annual assessment per Rule 6M-4.740 (SR) or 6M-8.621 (VPK). Early learning employees will receive a \$500 bonus and ELDs will receive a \$600 bonus.

If a provider is due for its regularly scheduled annual assessment during the training and it achieves a CLASS® composite score of 5.0 or higher or increase its score by .05 or more, early learning employees and ELDs would be eligible for the performance bonus. In this instance, the Professional Development Bonus (completion bonus) and the Performance Bonus would be paid at the same time once the training is completed.

Subject to the availability of funding, coalitions may elect to pay the Performance Bonus for providers not due for an annual assessment during the ARP Act Supply Building funding availability period out of SR quality dollars.
